Committed to providing a quality education to our community for over 20 years!

**OCS** was established to provide children with a quality academic program founded upon Biblical principles and the Christian world view. **OCS** has existed since 1992 to serve the families of the local community, providing the kind of education the Bible commands.

**OCS** exists to help the parent obey the scriptural charge: "Train up a child in the way he should go and when he is old he shall not depart from it." Proverbs 22:6

**OCS** seeks to complement the instruction and knowledge the child receives at home and at church, by training children to love, respect, and obey the Triune God. Our school is committed to academic excellence and to Scriptural standards for morality.

**OCS** teachers are fully committed to the Lord Jesus Christ and are a vital component to the success of the education process.

**OCS** uses the ABeka curriculum which stresses the mastery of the basic learning skills such as phonics, reading, writing, spelling, science, math and history and Bible, all from a Christian perspective. Elementary students have weekly library, music and PE classes.

**OCS** teachers work alongside parents in giving students a real life education while teaching them quality values and skills necessary for success. **OCS** teachers are dedicated to each individual student and work to help students succeed and reach their highest potential. Daily and weekly communication is an important part of your student's success.

**OCS** admits students of any race to all the rights, privileges, programs and activities generally accorded or made available to students of the school. **OCS** does not discriminate on the basis of race in its admission and educational policies, or other school administered programs.

**OCS** is a member of the New York Association of Christian Schools and the American Association of Christian Schools.
