

Snow Day Closings & Delays

If there is bad weather, please check TV stations 6, 10, 13 & 23 for school delays & closings for Oakwood Christian School.

Oakwood Christian School **NEVER** delays. We have too many districts that bus to our school, so we have to be available to accept the students if their school does not delay.

If your district is delayed 2 hours, you can expect your child to be picked up 2 hours from the time they normally would be picked up. So if they get picked up at 7:00am they will get picked up at 9:00am. If you think your child missed the bus or you have a question about the bus you need to call the bus garage of your school district. We do not have that information here at the school.
