Dear Parents: Correction from last week, the Honor Roll and Easter celebration is April 13th as on our calendar. I am sure by now you have received the note sent home on Monday with information and times regarding this day. I hope you can come celebrate with us. It’s hard to believe this period is coming to an end. That means we are approaching the final quarter of our school year. With this being said please let us know your plans for next year so we can be planning for our future here at OCS. While I was looking back at the many events in our school calendar, I couldn’t help but thank the Lord for His wonderful faithfulness to our school body. We have had a memorable year full of learning, loving and growing together as a community. Please help us end our year victorious by teaming together to continue offering solid academic education to our children. God Bless You! In His Service, Mrs. Hine
