Dear Parents: School has started with Super Hero Power! As your principal, I want you to know I am here to assist you in whatever way I can be of service. You as a parent are the number one teacher. I do encourage your involvement and communication. I will be available after school hours if you need me. We had our 1st Super Hero Assembly. It was incredible. There was much excitement and participation. Ask your children to sing our Super Hero Song. I'm very excited to see what super things are going to happen this year at OCS. Please continue to spread the word, we still have openings in every classroom and don't forget our referral bonus. Please parents make sure to have your children here by 8:20, the teachers start their day promptly. Late students can interfere with the classroom procedures. Thank you so much for trusting OCS with your child. God bless you, Mrs. Hine
